MEMORANDUM FOR: Members of SIGINT Committee Ad Hoc Group
on Requirements Satisfaction

SUBJECT : Minutes of the Eleventh Meeting, 22 February 1973

1. Attendees were:

[redacted] Chairman
Mr. Martin Graebner, USAF
[redacted]
CDR Jerome Galinsky, Navy
Mr. Dennis J. Wolstenholme, Navy
Major John Anderson, OSAF
[redacted]
Major Charles Smith, Army
[redacted]
Mrs. Joan Downs, State
Mr. Richard Curl, State
[redacted]

2. Mr. Graebner presented a [redacted] sheet with descriptions of items and filled-in sheets for four different events. Generally, it was satisfactory except that with [redacted] some clarification will be made in the descriptions.

3. [redacted] presented filled-in forms for ELINT EOB and Technical. Subject to descriptive write-up, the group generally accepted these forms as being feasible and useful.*

4. [redacted] was asked to take a first cut at placing relative importance numbers on telemetry event types and, subject to NSA's final identification and definition of the scoring items, will select tentative item values for each event type.

* (The Navy representative views with alarm scoring collection systems which are not normally tasked for non-contribution to requirements satisfaction).
